Item Description

MemFoam - InnerCover - OuterVelour

The Perfect Companion to our Impressions Topper!

This ergonomically-shaped, non-allergenic pillow is made from 5.3lb Density Memory Foam, and is the perfect compliment to your topper or bed system. With the support and comfort of visco-elastic memory foam, our pillow is all you'll need for a comfortable night's rest. Our Memory Foam Contour Pillow feels and looks just like the one's in the mail but for half the price. We're also including a free fitted, anti-microbial, hypo-allergenic, terry cloth cover. Make no mistake with imitation covers, this is a fitted cover to fit the exact contours of the pillow just like the ones in the mail.

In addition to the free, tailored, hypo-allergenic outer cover, we have included a specially designed inner cover underneath. This inner cover is a strong 100% cotton mesh that protects the delicate memory foam from its #1 enemy: friction. As you move, you create a small amount of friction which can, over time, damage raw foam. Just think of this inner cover as **chain mail for your foam**. It's tough enough to protect the raw foam as you move, yet breathable enough to dissipate heat, and moisture.

The Inner Cover is just another example of our constant mission to give you the best product possible at the best price. **We don't cut corners just to save a few bucks!** As you shop for your memory foam pillow, **ASK FOR THE INNER COVER!** We know of only one other pillow on the market that comes standard with this feature, and that's the \$100+ pillow you find in the mall. Most other memory foam pillows are simply raw cut foam in a cheap terry-cloth cover.

Start to Finish

This Memory Foam Contour Pillow is a **FINISHED PRODUCT**, and is part of our full line of Premium Memory Foam Products. Your pillow will come sealed in a plastic bag inside of a convenient travel storage box. With the quality of the product plus the retail packaging, our Memory Foam Contour Pillow is perfect for gift-giving, travel, or even just your peace of mind.

Are your products flame or combustion retardant ?

All of our products are both FLAME and COMBUSTION retardant. They are also resistant to MOLD, MILDEW, FUNGUS, DUST-MITES and are CFC free.

[< top >](#)

How long does it take for my order to get to me ?

Most orders are shipped within 3 business days after they are received. Expedited orders ship within 1 business day. We ship Monday thru Friday except holidays via UPS Ground. Normal delivery takes approximately 5 - 7 working days, depending on your area of residence. You are welcome to send us an e-mail requesting a tracking number and you can track the delivery of your order on-line.

[< top >](#)

Does your Visco-Elastic Foam make you feel hot and sweaty ?

Visco-Elastic foam does not make you hot and sweaty as ordinary unventilated foam does. The open cell structure allows the foam to breath and allows air to circulate.

[< top >](#)

Do you offer EXPEDITED SERVICE for an additional charge ?

Yes, we do offer expedited service and also shipping to other countries. We will be glad to provide these costs to you if you will e-mail us with the items and an exact shipping address and the type of service desired.

[< top >](#)

What about FREE Shipping Offer?

When we offer free shipping it is for those customers that decide to keep their item(s). Returning item (s) voids the free shipping offer. If for any reason you wish to return any item during the trial period you will be responsible for the shipping to get the product to you as well as the cost to return it. This charge will be deducted from any return even if your order says "FREE SHIPPING." We are only willing to pay for shipping and handling if you keep your purchase. So, if you don't think this is fair as most all of our customers do, please do not order. By not ordering now you will avoid issues later. We will not accept responsibility for sending a call tag or picking up any returns.
